## Maximum Business Sense

### Stay ahead of the rest.

Now you can load whatever and deliver wherever – at performance, reliability, safety, comfort and returns your competitors cannot match. The new generation, tough and durable ISUZU D-MAX is here. Designed by one of the world's leading pickup manufacturers, the ISUZU D-MAX has already won hearts and businesses in over 100 countries. Now it's your turn to give your business the unmatched ISUZU D-MAX advantage.

## Maximum Returns

### Burn less, earn more.

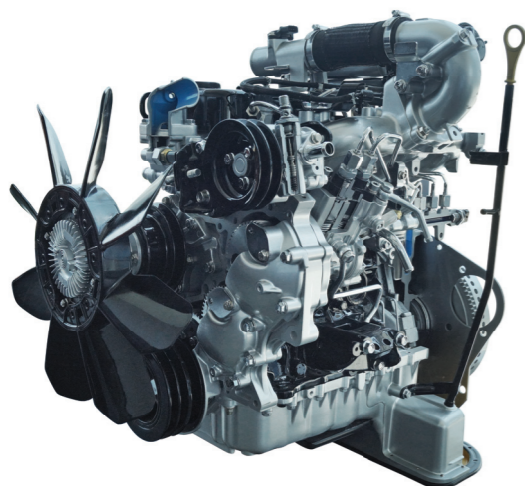

- Proven engine and transmission offer superior fuel efficiency
- 3 years/1 Lakh km warranty
- Large 45 sq.ft. loading area with low loading height

## Maximum Performance

### Engineered to deliver.

- 2.5 litre, 78 hp turbocharged engine with intercooler for faster turnaround.
- BS-IV compliant
- 5 speed gearbox with overdrive for better drivability and efficiency

## Maximum Safety

### You and your investment are best protected.

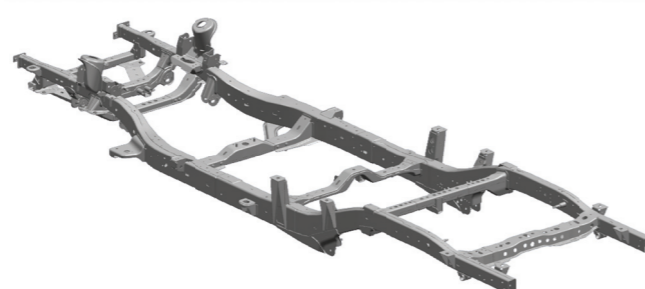

- Front ventilated Disc Brakes with large 10.5 inch brake boosters and twin pot caliper for shorter stopping distance and better stability
- LSPV (Load Sensing Proportioning Valve) to adjust braking according to various load conditions
- Collapsible steering column to protect driver from severe frontal impacts
- Strong chassis and cabin with crumple zones, door-side intrusion beam to shield cabin occupants in the event of a collision
- Day/Night inside rear view mirror, ELR seat belts and many top safety measures come standard

## Maximum Reliability

### On time, everytime.

- Advanced ISUZU Gravity Response Intelligent Platform
- The platform has been tested for 40 lakh km to provide unmatched reliability and durability
- Rugged Double Wishbone front suspension to take on any road
- Graphite coated pistons for lesser engine wear and tear
- Over 10 lakh engines sold worldwide\*

## Maximum Comfort

### The easy way up.

- Modern car-like controls for fatigue free long drives
- Spacious cabin with ergonomic design help you drive effortlessly for longer hours
- Insulated cabin with low noise and vibration to ensure every road is an easy road
- Tilt adjustable power steering and driver seat with class-leading sliding adjustment for the right driving position
- Small turning radius of 6.1 metres to easily negotiate tight corners
- Blower with heater as standard and optional AC

\* Cumulative data for all the generations put together.
