SHARP AS YOU

Take the new ISUZU D-MAX S-CAB wherever business beckons you... whatever the application. With a combination of space, performance and strength in smart proportions, it can accomplish any task, quickly and efficiently. Ensuring you stay ahead of the competition... always!

STRONG AT HEART

A powerful 2.5 litre engine keeps the new ISUZU D-MAX S-CAB motivated at all times. Whether you run a retail business, sell farm produce, supervise a construction site, or carry along your team; the ISUZU D-MAX S-CAB will stay its course till you get the job done.

- 78hp power for better pickup and faster turnaround time
- Turbocharged Intercooled engine ensures balance between performance and efficiency
- 5 Speed Manual gearbox with overdrive enhances drivability in both city and highway conditions
- BS-IV compliant

SUPREME STRENGTH

Every ISUZU vehicle owes its renowned durability to a century of meticulous engineering. No matter how critical the load or unfamiliar the road, rest assured the ISUZU D-MAX S-CAB will always stand by you.

- Tested for over 40 lakh km in heat, rain and snow during its development – Proven durability
- Advanced Isuzu Gravity Response Intelligent Platform with improved chassis enhances ruggedness and durability
- Rugged Double Wishbone front suspension to take on any road
- Graphite-coated piston reduces engine wear and tear
- Over 10 lakh engines sold worldwide*

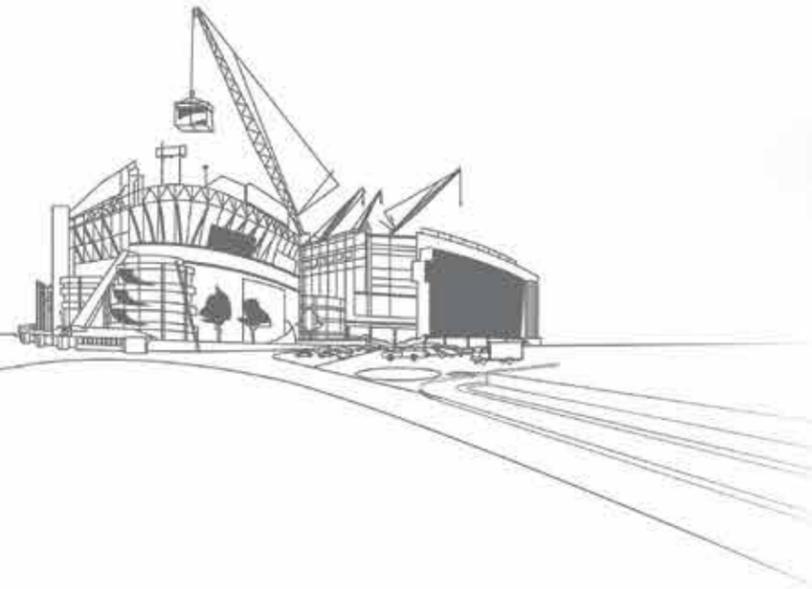

* Cumulative data of all generations put together

SENSIBLE WORKMATE

The new ISUZU D-MAX S-CAB means business, whichever angle you view it from. Take a look at the thoughtful space available and practical features that demonstrate its focus on productivity.

- Superior 1 ton rated payload
- Large 24 sq. ft. deck with a low loading height to carry maximum tools of your trade with ease
- Dual position tailgate with Centre-lift type handle to suit your loading needs
- Flexible rear seats - Foldable with 60:40 tip-up to create additional cargo space
- Over 20 storage compartments with twin glove boxes to organize the essentials you need on every trip

SAFE FOR SURE

ISUZU has long focused on building safety into its vehicles and the new ISUZU D-MAX S-CAB is no exception. Equipped with a host of active and passive safety features, it can ably handle every surprise the city roads or unfamiliar terrains throw at you.

- Strong chassis and cabin with crumple zones
- Collapsible steering column, cross car front beam and door side intrusion beams to shield occupants upon collision
- Wide track with low center of gravity for greater stability on all road conditions
- Ventilated front disc brakes with Twin Pot Caliper and large 10.5 inch Brake Booster provide responsive and stable braking
- Warning Buzzers/Reminders for key, headlamp ON, seat belt and open door

SMOOTH, ALL THE WAY

A combination of driver-friendly design and assist-features will put you at ease the moment you step into the cabin. A commanding driving position ensures maximum visibility at all times, while the ergonomic seat makes fatigue-free driving a pleasant reality.

- Low NVH level makes it one of the quietest vehicles in its class
- Tilt adjustable power steering
- 6-way adjustable driver seat for the right driving position
- HVAC with dust and pollen filter
- Small turning radius of 6.1 meters to easily negotiate tight corners
- Flat floor with low stepping height for easy access and exit
- Central locking, all power windows with auto-down on driver side for hassle free operations
